

Kids Co. Summer Camp Themes - 2022

Animal Planet

Join the fun while we virtually venture around the globe. Activities and projects will be focused on learning about all the planet's rich and varied animals. There so much to explore from the unusual Jerboa, the slimy Giant Salamander, to the eerie Angler Fish, and that's just a few of the many animals we'll get to learn about.

Express Yourself

This week is all about self and the arts. Kids will explore multiple mediums for self-expression through painting, use of clay, acting, sketching/drawing, dance, and more. Whether it's goofy, joyful, frustration, love, etc. kids who attend this week of camp, will learn ways to explore and express themselves during this creative arts week.

Best Week Ever

Every week at Kids Co. Summer Camp is great, but this is the best week of all. Kids will help choose the projects and activities that we do. Do you want to revisit past projects? Sure, let's gather the supplies. Create your own project? Of course. Not to be missed is the end of week celebration. Don't miss out on the Best Week Ever of summer day camp!

Blast from the Past

Are you ready to travel back in time? Jump into the Kids Co. time machine as we take you, our junior voyagers, to the land of Dinosaurs, or the Oregon Trail, or the moon landing and more! Campers will grab their essentials for each historic adventure filled with fun facts, as they have fun exploring history and learning together!

Game Creators

B-I-N-G-O! Tag – you're it! Board Walk and Park Place. Roll the dice, toss the Frisbee, and get ready to create your own version of your favorite games whether it's board games, card games, field games and more. Campers will be given a variety of materials to design and build their own game, creating the rules and gaming pieces will all be from the master builder's imagination. Campers will get a chance to share their amazing game creations with each other and will be sent home to play with friends and family at the end of camp. Get ready to choose your own adventure and challenge your opponent to a game... or two.

Community Builders

Ready, set, go... Community Builders i.e. campers, will have the opportunity to create their very own city within Kids Co. Each camper will get to showcase their entrepreneurial skill by making and creating a variety of goods to sell. Campers will design their city layouts with blueprints and all, working together to develop and plan businesses and amenities to best fit the needs of their newly designed community.

Who do I see hiding there?

We are expanding our imagination this week and entering into the world of fairies, gnomes, and other mystical creatures. Kids Co. campers will get the perfect mix of science, and our imaginations to create worlds where all of our favorite creatures can come to life.

Summer splash

Get your wetsuits, swimsuits, and water friendly clothing ready, because this week we will be doing everything water related! From learning about ocean and lake animals, building sand castles to fun water challenges to keep us cool. We will be exploring all that makes water play during the summer months the best ever!

Unconventional Inventions

This week is all about thinking outside of the box to create our own personal inventions! We will get messy, get scientific, and get creative to come up with our next generations greatest inventions. Bring your ingenuity and creativity to this innovative week of summer camp.

From Stonehenge to Space

Claim your spot in the history books, check out the wonders of the world by joining Kids Co. for a week of exploring the furthest parts of the world to the outer reaches of space. Join us as we “explore” pieces of history from long ago to predicting the future.

Magical Myths From Around the Globe

Pack your bags and join Kids Co. for a week of myths, legends, and tall tales from around the world. We have the week to swap, share, and create our own stories with exciting activities that will be talked about for ages.

Outdoor Explorers

Stop and smell the roses. This week, campers will explore nature and our local ecosystem. We will learn about the plants and creatures all around us – day and night. Join us for a week full of discovery, as we explore the impact we can make on the environment and how our actions can make a difference.

Summer Science

Kid scientists wanted! Put on your lab coat and find your safety goggles! This week is all about experimenting and exploring how the world works. From the rocks beneath our feet to the planets up above, we will investigate our curiosities with a variety of interesting hands on activities.

Kids Co. Summer Olympics 2022

During this week we will explore all things sports-related, and participate in a Kids Co. Summer Olympics! Campers will get to explore all different types of sports, some classic, some unique and some completely made up! Join us as we ***Go for the Gold!*** During our own Kids Co. Summer Olympics while developing and celebrating both team work, as well as individual success.

It's A Weird & Wacky World After All

Calling all kids! Join us this week as we explore new themes each day, and embrace our fun, weird and wacky sides! Days will range from Hawaiian vacation to a pirate's cove. As we navigate this weird and wacky world around us, all are encouraged to embrace our silly sides and everyone to enjoy being their truly wonderful and unique selves!
