

## IMPORTANT SUBSIDY and SCHOLARSHIP INFORMATION

We are here to help. Our goal is to make sure families receive high quality care for their children at our centers while still maintaining our budget. If you need help understanding our policies or completing the required information to receive tuition assistance, please feel free to ask your Program Director for assistance.

If you are seeking tuition assistance or scholarship support for your child to attend a Kids Co. center, please read the following important information regarding our policies and procedures for the following subsidy programs:

- State of Washington – [Working Connections Child Care](#) (WCCC)
- City of Seattle – [Child Care Assistance Program](#) (CCAP)
- Kids Co. Scholarship Fund

Kids Co. (aka Evergreen Children’s Association), is a local, 501(c)(3), **nonprofit** corporation. We are committed to serving families of differing economic means, which is why we accept State of Washington and City of Seattle child care subsidies and scholarships through the Kids Co. Scholarship Fund.

[Working Connections Child Care](#) helps income qualifying families pay for child care. For qualifying families, WCCC pays a portion of the cost of child care and the family is responsible to pay a copayment to Kids Co. each month. The copayment is based on income and family size. Because we do not set limits on the number of families receiving subsidies, it is critical that participating families maintain their eligibility.

The amount of funds we receive from WCCC does not cover the actual cost of care, therefore we ask that parents read and sign the attached agreement in order to protect our ability to accept subsidies and offer scholarships.

[Child Care Assistance Program](#) helps income eligible working families living within the Seattle city limits pay for child care services for children up to 13 years old. The City of Seattle pays a portion of the cost of child care and the family is responsible to pay a copayment to Kids Co. each month. The copayment is based on income.

**Kids Co. Scholarship** is a program provided to parents in the event that tuition assistance by the City of Seattle or Washington State is not granted or there are extenuating financial hardships. This program is based on need and requires a completed application and proof of income. The number and amount of scholarships given during the year is dependent on the amount of scholarship funds available. The scholarship amount granted may change from year to year. Kids Co. Scholarship recipients must renew their agreements every 6-12 months or more frequently depending on each individual situation.

All families requesting a Kids Co. scholarship are required to provide proof of denial for Working Connections Child Care or City of Seattle Child Care Assistance Program subsidies in order to apply for a Kids Co. Scholarship.

**Please read and sign the Kids Co. Subsidy and Scholarship Agreement and return it with your child’s enrollment paperwork.**

**For families who receive subsidies through the State of Washington:**

- ✓ **Parents are responsible for initiating and maintaining their WCCC coverage.** Submitting the WCCC Part II of the Provider Profile form to the program manager does not guarantee the authorization of care through DCYF. I understand that **in order for my child to attend**, Kids Co. must receive a copy of my award letter authorizing payment for care from WCCC **prior** to beginning care at Kids Co.
- ✓ **Kids Co. must receive the indicated co-pay amount in full** in order to start care and for each month following. Co-pay amounts are due in full by the 1<sup>st</sup> of the month unless a signed payment agreement has been completed. Failure to pay the monthly co-pay will be reported to WCCC and may be cause for termination both from Kids Co. and the WCCC subsidy program.
- ✓ **I understand that I must comply with WCCC attendance requirements.** In cases of excessive absences, I will inform the program director in advance whenever possible. I understand that excessive absences without notice or a reasonable cause may affect my child's enrollment status and may be reported to WCCC.
- ✓ **I understand that my WCCC subsidy is subject to renewal periods set by WCCC.** In order to maintain my coverage, I agree to submit completed renewal paperwork on time to WCCC. I will inform the program director of any changes to my coverage as soon as possible. I understand that without verification of continuing coverage, Kids Co. may suspend my child's care until notice is given that coverage is renewed.
- ✓ In the event that WCCC coverage is not verified by the 5<sup>th</sup> of the month following my renewal date, I understand that my child care may be suspended or payment in full for the advance month will be due. In the event that my coverage is renewed retro-actively, my payment will be refunded (minus any applicable co-pay or other outstanding charges).
- ✓ I understand that I am responsible to report changes in my work status or my child's schedule (i.e. going from school-year to summer etc.) to WCCC 30 days in advance of the change.

This agreement is in effect for the time period that coincides with the subsidy program that applies to my family. Policies for complete withdrawal from the program are outlined in the Parent Handbook and the Tuition Agreement.

**For families who receive subsidies through the City of Seattle Child Care Assistance Program (CCAP):**

- ✓ **Parents are responsible for initiating and maintaining their CCAP coverage.** I understand that CCAP does not cover the cost of registration fees and/or deposits and that I am responsible for the regular enrollment deposit and registration fees at the time of enrollment.
- ✓ I understand that I must submit all appropriate paperwork to CCAP and bring a copy of the authorization voucher to Kids Co. **prior** to my child starting the program.
- ✓ **CCAP provides only a portion of my childcare fees.** I understand that I am responsible for the remaining balance. In the event that CCAP does not grant coverage or renew coverage, I understand that I am responsible for the tuition for care IN ADVANCE for the coming month. I understand that I must give 30 days' written notice of withdrawal.
- ✓ **I understand that I must notify CCAP of changes to my work status or child's schedule including absences.** In cases of excessive absences I will inform the program director and CCAP administrator in advance whenever possible. I understand that excessive absences without notice or a reasonable cause may affect my child's enrollment status and CCAP will not pay the full authorized amount.
- ✓ I understand that I am responsible to report changes in my work status or my child's schedule (i.e. going from school-year to summer etc.) to CCAP 30 days in advance of the change.
